Vision

Successful Development
of
**Information Society in South East
Europe, that will contribute to the
future development of the European
continent''.**

Mission

As a PPP

Coordination of activities

Transfer of knowledge

Education & Research

CeGD Stakeholders

SIEMENS

Microsoft®

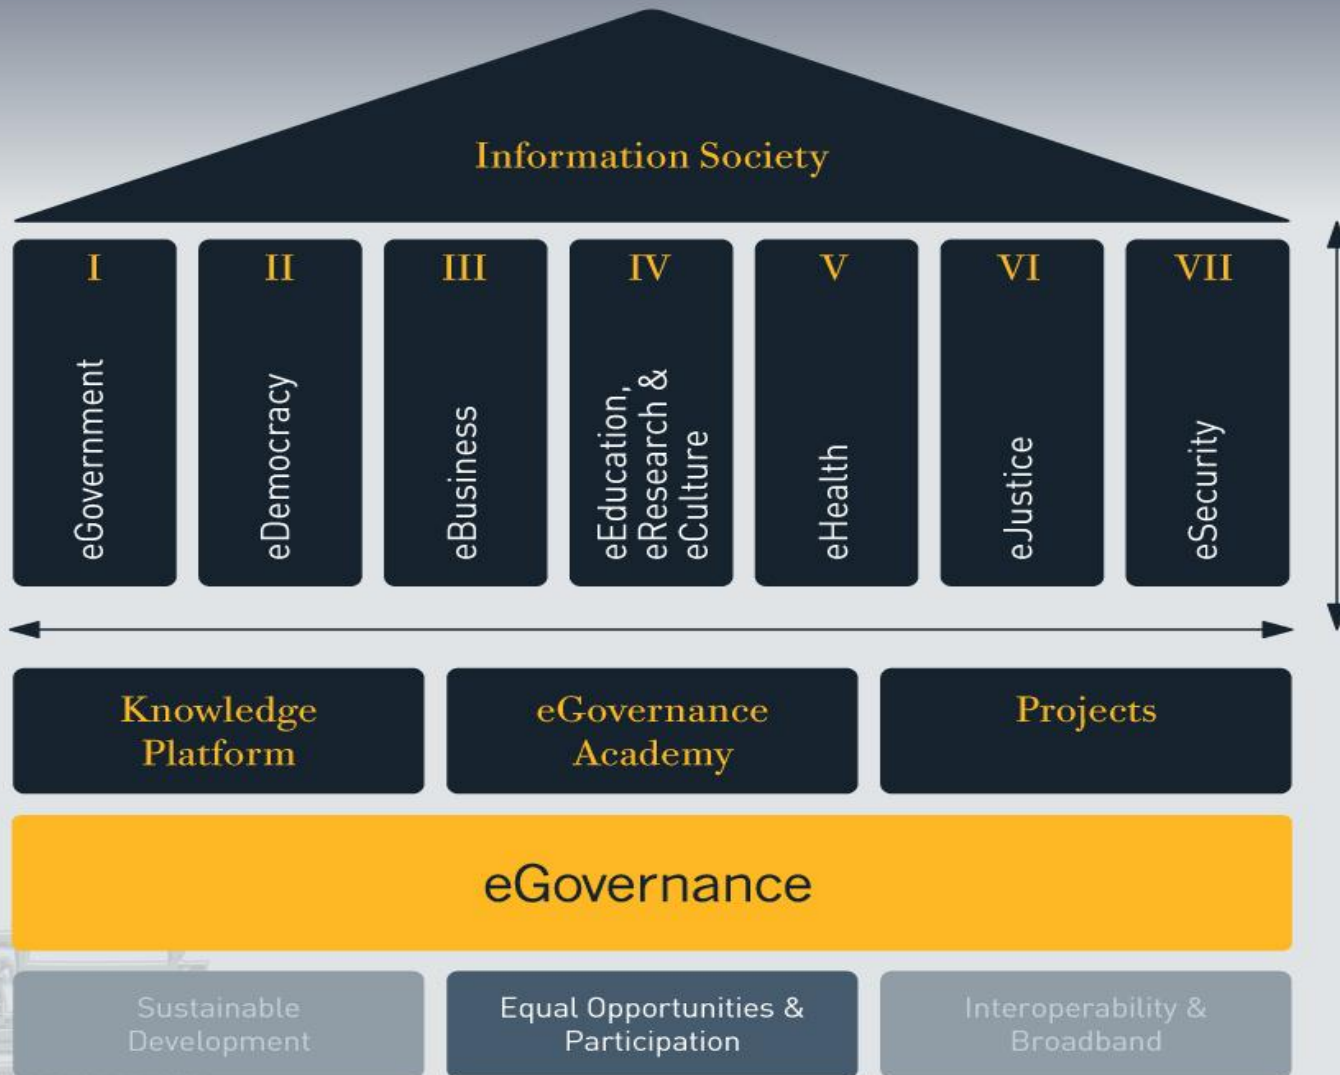

Further enlargement envisioned in 2010 (up to 3 public sector and 3 private sector entities)

CeGD Strategic Objectives

- I. Improve efficiency, democratic and economic processes
- II. Support the eGovernance programs
- III. Foster network of programs and nodes
- IV. Create Institutional linkages / relationships
- V. Bring about regional ownership

CeGD 7 ePillars Model of Single Information Society

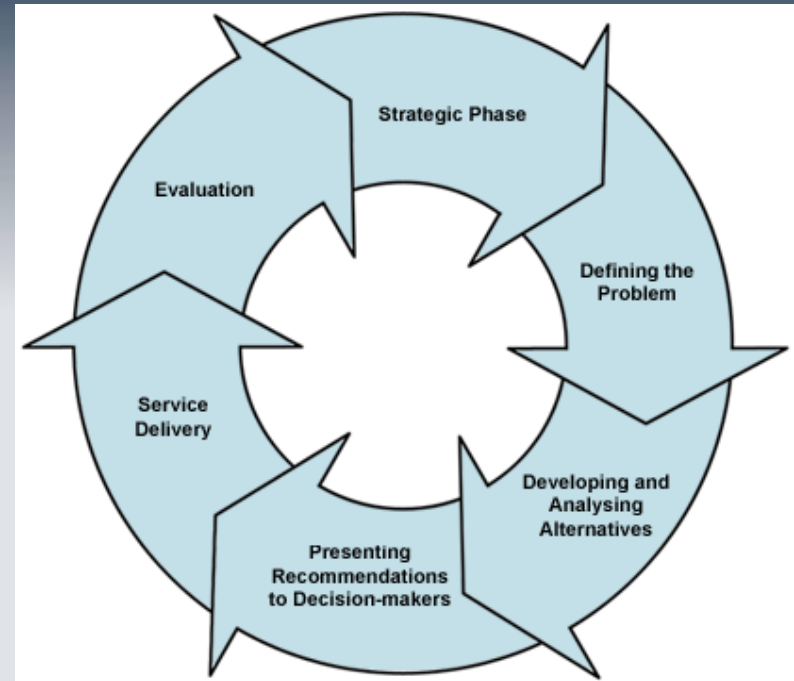

CeGD concept of sustainable development of IS

"Following the cycle of the policy process"

- Policy environment (eGovernance as a tool)
- Legal framework
- ICT business solutions (good practice cases)

➤ **Precondition:** Research and analytical activities.

➤ **Objective / Target:** Narrowing the gap (solutions vs. needs).
